Tiger Natural Gas: Fierce competitors in a very competitive market. Tiger is in the business of providing unique cost-effective solutions in every area of natural gas supply. Our experienced professionals use today's most sophisticated information-gathering tools to assess the market. This knowledge combined with a diversified supply base and strategically placed distribution points enables us to react quickly and adapt to changes in the marketplace. That in turn allows us to provide a truly cost-effective commodity to a vast array of clients in commercial, retail and industrial businesses like yours.
