Dallas Group of America

374 Route 22
P.O. Box 489
Whitehouse, NJ 08888

Contact: Enrique Flores
Phone: (480) 205-2972
Fax: (908) 534-0084
E-Mail: eflores@dallasgrp.com

The Dallas Group was established in 1989 as a spin-off of Reagent Chemical, a specialty chemical company. We're the world's premier producer of adsorbent synthetic magnesium silicate, marketed under the name MAGNESOL®XL. Since 1973, we've been producing MAGNESOL®XL for the filtration of edible oils in the foodservice industry. MAGNESOL®XL is a safe, pure white, FDA & USDA-approved adsorbent filter powder that contains no crystalline silica. A food grade chemical, MAGNESOL®XL removes both solid and dissolved impurities from used edible oils, which extend the usable life of the oil and maintain a more consistent quality fried product.

Delphi Display Systems, Inc.

3160 Pullman St.

HME

14110 Stowe Drive
Poway, CA 92064

Contact: Aaron Friedman
Phone: (800) 848-4468
Fax: (858) 552-0139
E-Mail: info@hme.com

SFA's preferred headset vendor HME is proud to introduce the QSR industry's first drive-thru headset system with HD Audio. The groundbreaking HME EOS HD® delivers clearer, more true-to-life sound to help operators improve speed of service and order accuracy. Featuring new outbound noise cancellation, kitchen noise is removed so that customers hear crew members better. EOS | HD also features improved inbound noise cancellation to remove background noise from outside the drive-thru (i.e. from car engines). This innovation allows for improved customer service and increased speed, keeping the customers happy and the drive-thru running smoothly.

Perdue Foods

31149 Old Ocean City Rd
Salisbury, MD 21804

Contact: Steven Capodicasa
Phone: (609) 665-6806
E-Mail: steven.capodicasa@perdue.com

Perdue Farms is the parent company of Perdue Foods and Perdue AgriBusiness, and represents the Perdue family ownership. Since our beginning on Arthur Perdue's farm in 1920, through expansion into agribusiness and the introduction of the Perdue brand of chicken and turkey under Frank Perdue, to our third-generation of family leadership with chairman Jim Perdue, we've remained a family-owned, family-operated business dedicated to

making Perdue the most trusted name in food and agricultural products. To learn more about Perdue, visit www.perdue.com.

POS Technical Services

1320 N. Hancock St. Suite A
Anaheim, CA 92807

Contact: Ann Marie Barth
Phone: (714) 696-5324
Fax: (714) 696-5346
E-Mail: sales@postechnical.com

Our "Single Solution" philosophy is truly reflected in our comprehensive POS capabilities, allowing us to offer our clients a complete point-of-sale solution that meets and/or exceeds their requirements. Our extensive experience in both point-of-sale applications and hospitality management provides an inherent capability to evaluate systems for specific applications. Besides our 24/7 Support Desk we offer a variety of other services extending from above-store reporting, integration to various accounting packages, video surveillance and kiosks, as well as following strict PCI compliancy to ensure your systems are safe. POS Technical Services has grown from a field service organization to a complete solution provider over the past 23 years and is a proud supporter of the SFA.

York Alternative Risk Solutions

333 City Blvd Drive Suite 1500
Orange, CA 92868

Contact: Everett Newman, Jr. CIC
Phone: (714) 620-1378
E-Mail: everett.newman@yorkrsg.com

The Restaurant Franchise Captive Program provides selected owners of quality restaurants and restaurant franchisees the opportunity for ownership participation in their own comprehensive insurance program. Unlike traditional business insurance, the restaurant Franchise Captive Program (RFCP) is insurance you own, not rent. The difference can mean increased profitability and significant benefits for your business.
